Frequently Asked Questions

Can I get something framed that is not a child's art work?

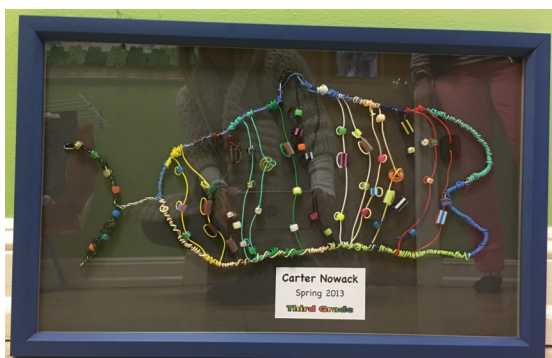

Absolutely! I encourage you to take advantage of getting those things framed that have been sitting around. Offer this to friends and family too. It's a great deal!

I can't make it that day so can I drop it off earlier and have him frame it for me?

Absolutely. Jeff does a great job picking out mats and frames. Just leave any notes you may have for him (i.e., room color, frame notes, etc.) and he will work his magic.

What kind of payment does Jeff accept?

Jeff accepts cash or check. Payment can be made on the day of ordering or on the day of pick up.
