April 19 is Creation Care Sunday with Guest Preacher Nathan Stucky

We are excited to welcome Nathan Stucky as our guest preacher for our 4th annual "Creation Care Sunday" on April 19 as we celebrate and deepen our commitment to being faithful stewards of the world entrusted to our care. Nathan Stucky serves as Director of the Farminary Project at Princeton Theological Seminary. He grew up on a farm in Kansas where his love for Christian faith and agriculture first took root. After earning a BA in Music from Bethel College (KS), Stucky spent six years doing ecumenical youth ministry on the eastern shore of Maryland, and two years farming back in Kansas. After farming, Stucky earned an MDiv and a PhD (Practical Theology, Christian Education and Formation) from Princeton Theological Seminary. His scholarship explores questions of land, ecology, theology, agriculture, justice, joy, and Sabbath as they relate to theological education. He is the author of *Wrestling with Rest: Inviting Youth to Discover the Gift of Sabbath*. Ordained in the Mennonite Church (USA), Stucky engages Farminary work as integral to his calling to teaching ministry. He lives in Princeton, New Jersey, with his spouse and three children.

Creation Care Sunday Recycling Event - April 19

Bring us your worn out, tattered or stained clothing and other fabric items! We will recycle them! To help to celebrate the Earth on Creation Care Sunday, April 19, the Creation Care Committee along with the Spiritual Development Council is hosting a recycle drop off for textiles and shoes! All items need to be clean and placed in a plastic bag if available. Drop off in front of the chapel will be available before the church service. After the service, items (including bulky items) can be dropped off at the E. Allen Street parking lot until noon. Don't forget we are still collecting plastic bag and film for recycling in the coat room of the Church House!

Pictures of the Apostles, Part One: Paul - April 19 at 11:15

The stories of the apostles, which tell of travels, miracles, and close communion with Christ, have inspired artists through the ages. In this session, the first of a series, art historian Jean Sorabella will discuss scenes from the mission of Paul in remarkable paintings, tapestries and stained glass. Join us at 11:15 in the Church House Parlor and online.

Adult Forum on April 19 - America 250: Basking Ridge Presbyterian Church at the Crossroads of the Revolution

As our nation approaches the 250th anniversary of the American Revolution, join us to explore the fascinating role Basking Ridge Presbyterian Church played in those historic days. Church historian and lifelong member Bruce McArthur will share stories of the church, the town, and their connections to the Revolutionary era. The forum will be held Sunday, April 19 at 3:00 p.m. in the Church House Parlor. All are welcome!

Men's Breakfast Group

Our next breakfast is on Friday, **April 17** at 7:30 a.m. at the Blue Cafe. Please RSVP to argreenway1@me.com.

Church House HVAC Replacement

We will be replacing our Church House HVAC system, going from an old and aging chiller system to a newer VRF Heat Pump system. This work is scheduled for **April 27 - May 9**. The disruption to the church house will be significant, as there will be a lot of noise, debris and the parking lot will be full of 4-5 trucks while the work is being done. We expect this to take two weeks, but of course, weather or unforeseen issues may arise so the work may take longer. Staff will largely be working from off-site those days, and will be accessible during normal hours by email or cell phone.

You've Been Framed!

Tree House Preschool will host a professional framing consultation with Jeff Eustace from FrameTech on **Wednesday, April 22**, from 12:00–6:00 p.m. in Westminster Hall at BRPC. Jeff will bring his full selection of frame and mat samples to assist with design and selection. Finished pieces will be returned in about 2–3 weeks, and proceeds will support materials and equipment to enrich the Tree House playground.
